

The  
River Block  
RIVERFRONT ACCOMMODATION

## Weddings & Functions

Firstly, thanks for showing interest in our property. We think it is pretty darn fine, but we might be biased!

The River Block is 24 acres of pure bliss situated on a quiet lagoon off the Murray River.

In here you'll find all the information you need to help decide if our venue is the right one for you.

## The Venue

As far as we can tell, this is the only venue like this in the area. A truly authentic riverfront wedding experience.

Stay with up to six people, get ready with your crew and have your photos done all on site with many locations to choose from.

The River Block is a dry hire venue, meaning you have the flexibility to bring in everything you want to make your event uniquely you.

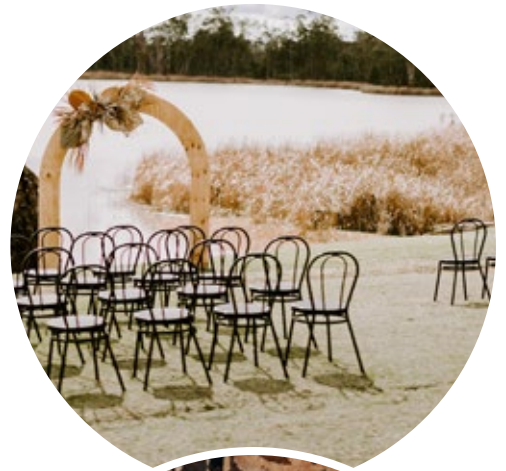

From styling to catering, customise your team of industry experts to make it easy.

With ample power for food trucks, DJs and lighting, we continue to develop the area.

Set on 24 acres, The River Block property features cliffs to view the stunning sunsets, river clay flats, native scrub and also a flat paddock which allows for guest camping.

Featured on the property is also a historic building, a centrepiece for many photos of couples in awe of its beauty.

We cannot explain the feeling The River Block gives you, so please book a viewing to see and feel it for yourself!

# The Homestead

Included in all packages is the stunning River Block homestead, located approximately 100 metres from the event venue area.

Built in 1913, this home has been lovingly renovated and restored to be the ideal base for your event.

With three beautiful bedrooms styled gently to be warm and welcoming, but not overwhelming, the homestead is perfect for your pre-event preparation and photos.

A full size kitchen, living and dining area is perfect for entertaining, allows your friends and family to visit, and vendors to come to you!

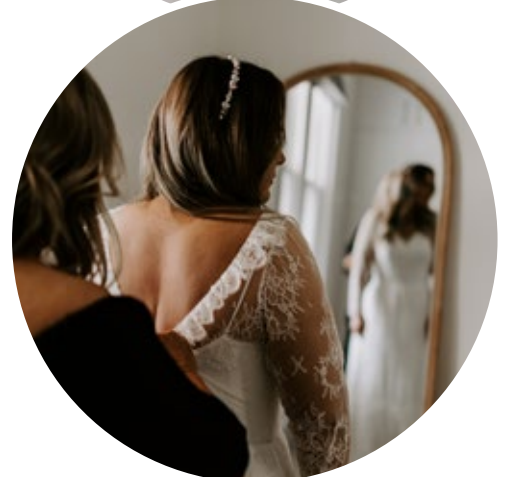

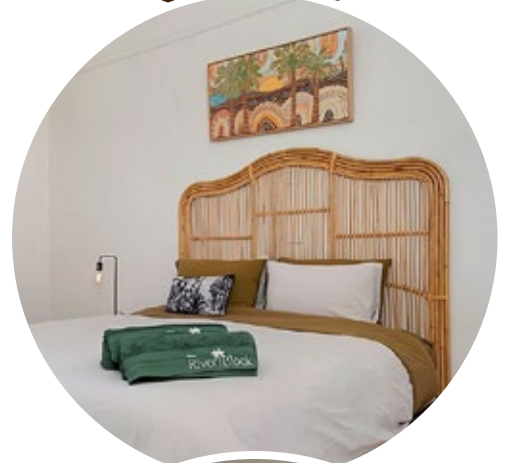

The home is surrounded by many idyllic locations for photos before, during and after your event. So no need to travel on your special day, allowing you to enjoy it as long as possible!
